

Officially open, Sunday, June 28, 2015, in Bethany Beach, Delaware!

At top, our aspect has changed, and it's very pleasant, overlooking the circle in Bethany Beach, framed by our butterfly and dragonfly benches.

Come see what else awaits inside the doors!

The Ellen Rice Gallery opened in our new home on Garfield Parkway, Bethany Beach, this morning!

You'll now find us at 98 Garfield Parkway, Suite 109, in the Blue Surf Shops just two doors east, a few steps up from Grotto Pizza and a half block to the ocean!

We still have some boxes to unpack, and new art is arriving every day, including the Bethany Beach globes that were so popular last year.

We're pretty excited about the response to our move so far. The first person to walk in made our first sale, a print of [Harbor Light](#), a combination of watercolor and pastel of the Outer Breakwater Lighthouse in Lewes, the same one I painted for PNC Bank last fall when selected as PNC's *Artist of the Year*.

It was an honor, and speaking of honors ~ there is still time to vote for me and for the gallery as Delaware Best Artist and Delaware Best Art Gallery in Coastal Style magazine's "Best of Delaware" competition before the June 30 deadline. A link and more info are offered below.

I haven't felt this happy and so much in the right spot in a very long time. When you're nearby, I hope you'll join us and share in the joy. It's so nice to look out our windows and see smiling faces enjoying the atmosphere, sitting in our benches and taking photos, and hearing laughter as people walk by.

For the summer, our hours are 10 a.m. to 10 p.m., in one of the most lovely beach towns in the United States. See you soon!

The Blue Surf Condominiums and Shops building where we just relocated, ocean block, Bethany Beach.

Coastal Style Magazine's "Best of Delaware" info:

First, thank you to those who nominated me and to everyone who has taken the time to vote. It does take a few moments. Since you have to vote for "Bests" in 25 categories for your vote to count, I've provided a link you can click on that shows [last year's winners](#) to help jog your memory and complete the ballot.

Voting ends June 30th. If you appreciate my work and gallery and haven't voted yet, please [click here to vote!](#)

PS - A big thumbs up goes to the young man who made it possible for us to open our doors so quickly and so beautifully. David LeCates is one of the most talented and nicest contractors I've met on the shore in many years, and this multi-talented man did beautiful, rock solid work very quickly. Email me if you want his info!
